HILTON HEAD ISLAND BEACH AND BIKE MAP

YOUR SPOT ON THE SAND

1 FISH HAUL BEACH PARK 124 Mitchelville Rd.

Strolling down this park's secluded trails, birders find migrating and local shorebirds before spying crabs in the salt marshes.

4 DRIESSEN BEACH PARK 64 Bradley Beach Rd.

Here, visitors meander down a winding boardwalk that opens to a wide-shoreline beach. Great for groups, the site features vending, a picnic pavilion and outdoor showers.

7 COLIGNY BEACH PARK 1 Coligny Cir.

One of the island's most popular destinations is a quick stroll to restaurants, unique shops and bars. With beach volleyball, a kids' splash pad, swings and Wi-Fi, this beach is a stay-all-day option.

2 ISLANDERS BEACH PARK 94 Folly Field Rd.

This family-friendly destination features a shady playground, picnic pavilion, bike racks and walking paths.

5 BURKES BEACH 60 Burkes Beach Rd.

Here, you have it all: Bikers enjoy wide, firm beaches that open up at low tide; surfers love the waves; and walkers can stroll over to the adjacent Chaplin Community Park.

8 ALDER LANE BEACH 2 Woodward Ave.

Those who discover this south end beach, next to Marriott Grande Ocean Resort, say fewer people are its largest draw. You'll find amenities like restrooms, outdoor showers and accessibility matting.

3 FOLLY FIELD BEACH PARK 55 Starfish Dr.

Centrally located in the middle of the island's beaches, Folly Field Beach Park is an ideal access point for surfers. Get in on the action, or enjoy watching long- and short-boarders.

6 CHAPLIN COMMUNITY PARK 11 Cast Net Dr.

With access to Burkes Beach, Chaplin Community Park has amenities ranging from nature trails, tennis and basketball courts to a dog park, where your furry friend can run off-leash.
